## COLLECTION POINTS

### IF YOU DO NOT HAVE TRANSPORTATION

If an evacuation is ordered for your PAZ and you do not have transportation, try to find a ride with a friend or neighbor. If you can't find a ride, walk to the nearest collection point for your Protective Action Zone. If you are unable to walk to a collection point because of a disability, call (805) 543-2444. (This number will be activated only during an emergency.) Listen to a local radio or television station for further details. Do not call 911 unless you need urgent emergency assistance.

Note that these collection points are just places to obtain transportation out of an evacuated area. They are not places to obtain shelter. Transportation will only be provided in PAZs directed to evacuate.
